## **Bargain Collections**

You will find listed under Bargain Collections many standard and proven daylilies worth several times the price they are listed at. We have a surplus stock of these varieties which is the reason we are offering them at sacrificed prices.

## Join the Hemerocallis Society

Anyone interested in daylilies should join the American Hemerocallis Society. This organization is devoted to the advancement of daylilies. The best advice from the leading hybridizers and experienced growers of daylilies is made available to the members in the form of printed bulletins issued from time to time in an attractive and informative year book.

The dues are \$3.50 per year and should be mailed to Mrs. Daisy L. Ferrick, Secretary, 416 Arter Ave., Topeka, Kansas. If you wish to send us your dues with an order, we will take care of it for you, and will send a bonus of plants with your shipment.

## Hard To Get Items

When looking for hard to get items - let us know—we may have just what you are looking for. We are growing several hundred varieties not listed in this price list, some not yet introducted.

RUFFLED PINAFORE

## Terms and Conditions

This list cancels all prior lists and will be effective until sometimes in June 1958 when our 1958 and Spring of 1959 Retail Illustrated Price List will be issued. Minimum order \$5.00 cash with order. We prepay all orders of \$10.00 or more, except Bargain Collections unless accompanied by order of \$10.00 or more from general listing. On all orders under \$10.00 please include proper postage. We include gift plants with your order. Send us a list of several varieties in order of preference.

CONDITIONS OF SALE: — We guarantee every plant to be in a healthy condition, up to grade in every respect when leaving our hands. We guarantee satisfaction. STATE INSPECTED.

We are not responsible for more than initial cost of plants involved. Orders are accepted in the order received, subject to prior sales, on condition, refund will be made, should the plants ordered be impaired by elements beyond our control.
